

Our Brand of Football

Dear Supporter,

Thank you for your continued support and dedication to being an organization committed to social responsibility and to the growth of Pearland, TX local economy through business and community development. With the support of community-conscious sponsors, throughout Shadow Creek Ranch and the surrounding West Pearland area, the Shadow Creek Youth Football Association(SCYFA) will be able to impact the lives of many children, neighbors, business owners, schools, and community organizations.

The SCYFA is a non-profit youth organization with 501(c)(3) tax-exempt status from the I.R.S. **Home of the Shadow Creek Titans!** We will be mentoring and coaching children from five to twelve years of age. The organization was established to give the youth of Shadow Creek Ranch and the surrounding West Pearland area a close to home opportunity for youth sports. Our organization will strive to teach discipline, fitness, build self-esteem, as well as, have fun while playing the game. We are a Christian based organization who feels prayer is important before and after games for continued meditation.

In addition to mentoring and coaching our community youth, we are also looking into developing a scholarship fund for the children who are underprivileged. We believe providing youth sports is an opportunity to help him/her gain the confidence and self-esteem he/she needs to develop into a productive, respectful, and confident individual.

We request the support of your organization by considering a sponsorship and/or donation in exchange to market your organization and capture your local audience through presence at our home games, advertising on our website and in community newsletters. We look forward to partnering with you to create a win-win relationship to reach this demographic, resulting in an even greater impact throughout the Pearland community in the near future. With your support, we are confident the Shadow Creek Titans are on the rise and ready for a successful season!

With sincere appreciation,

Jennifer Burrow
